Other members of the Chemicals Branch were in conference with these same representatives. (2 hours) (18 April)

D/A: [] attended inter-agency meeting called by H. G. Ainsworth, Department of STATE, to consider additional information relative to QUANTITATIVE CONTROL OF EXPORTS which would be transmitted to the U. S. representatives at the London and Paris negotiations for parallel action. The Department of State would like CIA to develop intelligence on commodities not previously assigned for review by CIA, but [] ADVISED that the agency was NOT IN A POSITION TO GIVE ADDITIONAL SUPPORT AT THIS TIME. Ainsworth was advised, however, that he WOULD BE SUPPLIED WITH A STATEMENT REGARDING ALUMINUM AND POSSIBLY COMMENTS RE FIVE CHEMICALS for which drafts had not been submitted. The CIA representatives made available an additional copy of the drafts regarding electronics and precision instruments, four non-ferrous metals and twenty-five chemicals which had previously been made available to OIR, but DECLINED TO RE-FORMULATE THE INTELLIGENCE ACCORDING TO THE FORMAT SUGGESTED BY THE DEPARTMENT OF STATE. (2 hours) (18 April)

D/R: On the initiative of FDD, O/CD, [] discussed with [] of FDD AREAS OF MUTUAL INTEREST IN PROGRAMS OF FDD AND THE STATE - CIA JOINT EXTERNAL RESEARCH STAFF. Further meetings between [] the Chief, FDD, and others are contemplated for 23 April. (1 hour) (18 April)
